

# Feminine Muffin Cap

This charming hat was worn by peasants or middle classes. It can be worn alone with the hair tucked up into it, or down in braids. A straw hat can also be worn over it .

Suggested fabrics: Cotton or linen  
Yardage needed: One yard of fabric  
1/4 yard interfacing

The shape of the brim can be varied to suit the face.

The pattern allows for a 1/2" seam.

Cut a sample brim out of paper to test the size and shape. Sew sides of the brim piece marked "A" together. Sew both brims together leaving the side where the circle is attached open. Gather the circle to fit brim and attach to one of the brim pieces. Turn the edge of the other brim piece under, enclosing the edge of the circle inside and stitch closed.
